

We understand your concerns about visiting public places during this time. We are taking the necessary steps to limit the spread and minimize the impact of the COVID-19 virus. To protect our staff and customers, we have revised our walk-in customer procedure.

We are limiting the number of persons in our retail showroom to less than 10 people at any one time (including staff and customers).

- At the time you enter we respectfully ask that if there are 10 or more people in the showroom to wait outside or return to your car until you can enter at a time where there are less than 10 people.
- Alternatively, we welcome you to wait in your vehicle, contact us by phone at 637-4771, and place your order. We can coordinate getting your order out to you.
- If you are sick we ask that you do NOT come in.

All of our customers can access their accounts through our customer portal on our website, wsclou.com. If you do not know how to access your account, please contact our us at 637-4771. Our staff can provide assistance. You may also email quotes and orders to our shared inbox at info@welderssupplylou.com.

Thank you
